September 4, 2003

Certificate Issue Date
July 12, 2010

Certificate Expiry Date
September 28, 2012

The following organization's quality management system has been assessed and registered by Intertek Testing Services NA, Inc. as conforming to the requirements of:

AS/EN/JISQ9100 – Revision B and ISO 9001:2008

Organization:

Aerojet Ordnance Tennessee (AOT)

Main Site: 1367 Old State Route 34, Jonesborough, Tennessee, 37659, USA

The Quality Management System is applicable to:

Manufacture of specialty metals products consisting primarily of munitions. Materials used includes tungsten alloys, molybdenum, steel, and depleted uranium. Processes include foundry operations, heat treating, powder metals sintering, swaging, forging, rolling, machining, and testing. AOT does not perform product design but may consult with customers on material applications.

The assessment was performed in accordance with the requirements of AS9104A. Intertek is accredited under the Aerospace Registrar Management Program. In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client and then only in accordance with the agreed upon Certification Agreement.
