

Certificate of Registration

Certificate Number
US-2319c

Initial Certification Date
September 4, 2003

Certificate Issue Date
September 28, 2009

Certificate Expiry Date
September 28, 2012

The following organization's quality management system has been assessed and registered by Intertek Testing Services NA, Inc. as conforming to the requirements of:

ISO 9001:2008

Organization:

Aerojet Ordnance Tennessee (AOT)

Main Site: 1367 Old State Route 34, Jonesborough, Tennessee, 37659, USA

The Quality Management System is applicable to:

Manufacture of specialty metals products consisting primarily of munitions. Materials used includes tungsten alloys, molybdenum, steel, and depleted uranium. Processes include foundry operations, heat treating, powder metals sintering, swaging, forging, rolling, machining, and testing. AOT does not perform product design but may consult with customers on material applications.

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement.

A handwritten signature in black ink, appearing to read 'K. Minard', is written over a horizontal line.
