

Title:

Quality System – AS9003

Aerojet Quality Note

B03

Rev #

Date

0

11/5/08

Seller's quality system shall be in compliance with the current revision of AS9003.

Compliance to AS9003 shall be evidenced by a current third party certification or as determined by an Aerojet audit of the supplier's AS9003 Inspection and Test system.

Rev	Date	Description of Change	Changed By

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
