

Title:

Supplier Special Process Control**Aerojet Quality Note****C03****Rev # Date****0****10/28/08**

Prior to performing any special processing such as heat treat, welding, solder, surface treatment/plating, NDT, etc., by the supplier, the supplier shall furnish detailed process procedures to Aerojet as noted below for approval. The supplier's procedures shall include sufficient detail to fully define and control the process. The procedure shall include the name and address of the supplier's facility. After Aerojet approval, no changes in the procedure, including supplier location, are allowed without prior Aerojet approval. An on-site survey may be conducted by Aerojet and/or Aerojet's customers/Government/Regulatory Authorities (when accompanied by Aerojet) for approval of special processes. The supplier is responsible for all special processes conducted by the supplier's subtier. Aerojet approval of the supplier's procedures does not relieve the supplier of any responsibility for compliance to the Purchase order. The supplier shall notify Aerojet 30 days prior to a change in the supplier or subtier's facility location.

For Aerojet Purchase Orders originating in Camden AR, Clearfield UT, Culpepper VA, or Gainesville VA, the Supplier shall utilize the VIR form to communicate the documentation required above. The VIR form can be found here: [VIR Form](#)

For Aerojet Purchase Orders with Redmond WA or Sacramento CA: Send email to Aerojet buyer.
