

Title:

Approved Supplier List

Aerojet Quality Note

C13

Rev #

Date

0

10/28/08

Use of the Aerojet Approved Supplier Listing (ASL) is mandatory. Any products requiring manufacturing or special processing must be procured from sub-tier suppliers approved and listed on the ASL. Deviations from the ASL must be approved by Aerojet and documented as noted below. The supplier's use of Aerojet's ASL does not relieve the supplier of any responsibility for compliance to the Purchase Order.

For Aerojet Purchase Orders originating in Camden AR, Clearfield UT, Culpepper VA, or Gainesville VA, the Supplier shall utilize the VIR form to communicate deviations. The VIR form can be found here: [VIR Form](#)
Purchase Orders with Redmond WA or Sacramento CA: Send email to Aerojet buyer.
