

HAZARDOUS & EXPLOSIVE MATERIAL SHIPPING/RECEIVING INSTRUCTIONS

When shipping Hazardous or Explosive materials to Aerojet, the addresses and contacts below shall apply. Deliveries to any other address may be refused or sent back at Supplier's expense. **Please update your records accordingly.** Coordination with the appropriate Aerojet Buyer is also suggested.

Please have the delivery driver phone the facility contact person, 1 hour in advance of arrival to assure someone will be available to receive the materials. **Hazardous and explosive materials cannot be left unattended on the receiving dock.**

Aerojet requires the following with each shipment received:

- 1) Material Safety Data Sheets (MSDS)
- 2a) Competent Authority Approval/Classification of Explosives document
-OR-
- 2b) Explosives in a pipe bomb (with DOT exemption)
